

# Engage and Empower Your Employees

## Success Story - Changing the Way You Think About Trash™

### Your Challenge

Engage and empower your employees to make a big, positive impact with their trash.

### Reduction In Motion's Solution (Annually)

- Help you manage over 72,000,000 pounds of waste and recycle over 31 waste streams
- Provide on-site support by walking over 1,300 miles
- Conduct more than 400 personalized education events to reach thousands of individuals
- Implement custom waste programs without interrupting daily work flow of your employees
- Establish, guide, and support your sustainability programs and your goals through Green Teams

### Your Results

Help clients like you achieve an average of 30% landfill avoidance.

Call today for your no-obligation "Trash Talk" review by  email or  +1 (410) 877-1593
