

Earth Month Challenge

What better month than Earth Month to try out new, sustainable actions to make a positive impact for our planet. Mark off each item you accomplish between now and Earth Day!

Turn off lights daily when you are not using them

Use reusable bags and reusable water bottles

Unplug unused appliances each night

Start your own garden or plant a tree

RECYCLE
cardboard, papers, plastic bottles, and aluminum cans

Buy local and find your nearest farmers market

Walk, bike, and use public transportation when you can

Turn off the faucet while brushing your teeth each day

Pick up trash and litter off sidewalks and streets once a week

Tag us, Reduction In Motion, on [Facebook](#) or [Instagram](#) with your accomplishments by Earth Day, 4/22 to be entered to win a prize opportunity!
